AMENDMENT UNDER 37 C.F.R. §§ 1.48(b) and 1.312

Sir:

Supplemental to the Notice of Allowance mailed March 12, 2002 in the above-identified application, please amend the application as follows:

In the listing of inventors, please delete "Robert Andrew Donald Scott".

Remarks

Pursuant to 37 C.F.R. §§ 1.48(b) and 1.312, Applicants have amended the above-identified application to correct the inventorship to list Jan Buch as the sole inventor of the

claimed subject matter. This amendment is necessary because the Second Supplemental

Amendment filed on March 6, 2002 cancelled a number of claims. After receiving the Notice of Allowance, and in light of the pending allowed claims, Applicants determined that Jan Buch is properly the sole inventor of the now-claimed and narrower subject matter.

It is respectfully submitted that this Amendment requires no additional search or examination on the part of the Examiner. Therefore, this Amendment should be granted pursuant to 37 C.F.R. §§ 1.48(b) and 1.312.
